## BIOGRAPHY & BIBLIOGRAPHY

**Bojan Bjelica** was born on September 14, 1987 in Sarajevo, Centar Municipality. Due to unwanted hostilities and the difficult situation, he moved to Serbia in 1992, and in April 1994 he returned to the borders of Republika Srpska - Pale. He enrolled in primary school in 1994 in Pale, Pale municipality. He continued his education in 2002, enrolling in the High School of Civil Engineering, also in Pale. After completing primary and secondary education, Bojan decides to continue his education at the Faculty of Physical Education and Sports. As a student of the Physical Education program, on January 21, 2011, he graduated with the highest grade and acquired the title of professor of Physical Culture. The great effort and effort he invested during his studies brought him the recognition of a student of the generation, which was a new stimulus for him to continue his studies. In the period 01.06.2012. years until 01.06.2013. engaged in volunteer work in the Administrative Service of the City of East Sarajevo. The following year, he enrolled in master's studies. July 9. In 2013, he acquired the title of Master of Physical Culture on the topic: "Correction of impaired posture of younger school-age students by individual exercise of aerobic gymnastics content." Along with his studies, he wrote several significant research papers. He expands his further ambitions in the field of informatics, as well as knowledge of foreign languages. In addition to his mother tongue, he is fluent in English. In addition to his great devotion to sports, especially skiing, his work continues in the ski school "VIP" Jahorina. During the time spent in this sport, within the ski federation of RS / BiH, passes the exam for possession of a ski license and thus becomes an active member of the Association of Ski Coaches and Teachers. Since April 2014, he has been working at the Faculty of Physical Education, University of East Sarajevo as an assistant in the subject of Sports Recreation. In October 2014, he enrolled in Doctoral Academic Studies in Nis, Republic of Serbia. Doctoral dissertation on the topic: "Effects of group fitness programs on women's health fitness". In May 2017, he started working at the Faculty of Economics in Palam and works as an assistant in the following subjects: Economics of Sports, Economics of Sports and Entertainment. In March 2018, he received the title of senior assistant at the Faculty of Physical Education and Sports at UIS. In September, he acquired the title of Doctor of Science - Physical Education and Sports at the Faculty of Sports and Physical Education in Nis.

Since 2016, he has been a member of the ANTHROPOLOGICAL SOCIETY OF SERBIA. He is a member of the editorial boards of numerous journals, some of which are: INTERNATIONAL JOURNAL OF PHYSICAL EDUCATION, SPORT AND HEALTH in India, GLOBAL SCIENTIFIC RESEARCH JOURNAL OF SPORTS MEDICINE, Illinois

ITALIAN JOURNAL OF SPORTS REHABILITATION AND POSTUROLOGY, Editorial Board Member of SCIREA JOURNAL of HEALTH, Editorial Board Member of SCIREA JOURNAL of EDUCATION, JOURNAL of SPORTS MEDICINE and THERAPY, EDUCATION JOURNAL (USA), JOURNAL OF PHYSICAL FITNESS, MEDICINE AND TREATMENT IN SPORTS (USA).

In short, Bojan is an ambitious, confident and innovative person, ready to make up for the lack of experience with diligence.
